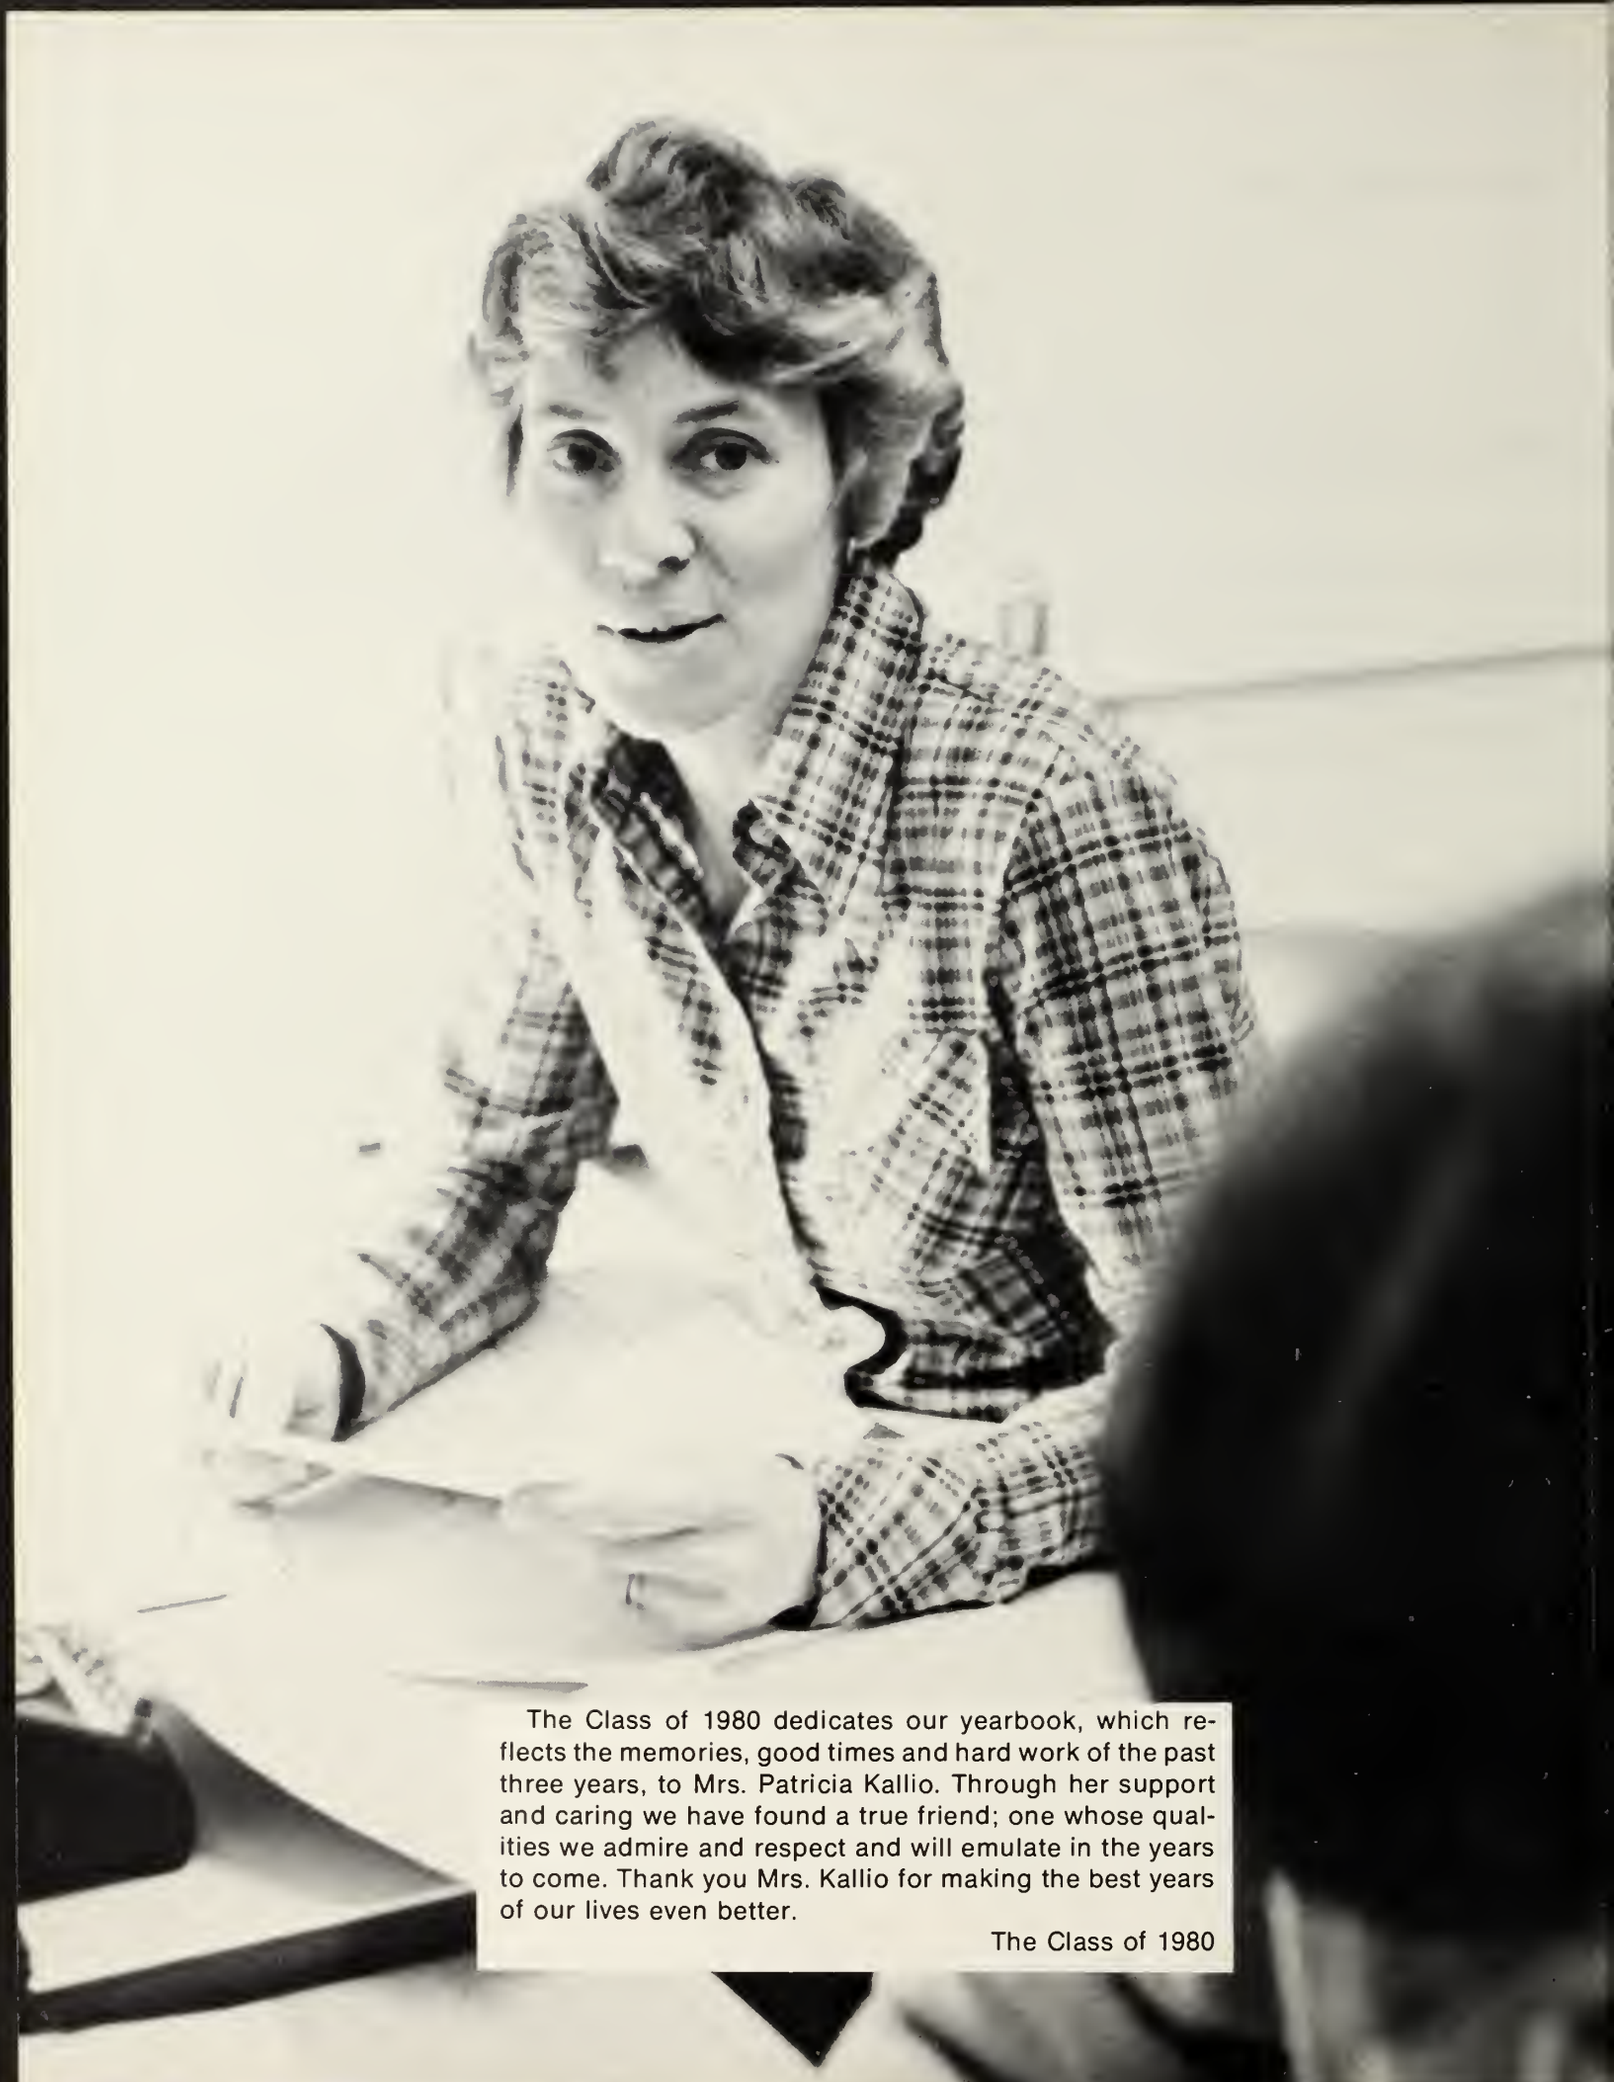
Medfield High School
Class of "80"

It's come to an end
true friends we part.
We still have all the memories
of the years gone by.
We have made our mark in the world,
times we treasure forever.
So here's to you my friends,
that each one of you will find
what you're searching for
and make it in this crazy world.
But never forget our friendships
and the times we've had together.
And never be afraid of tomorrow,
as long as you have your memories.



The Class of 1980 dedicates our yearbook, which reflects the memories, good times and hard work of the past three years, to Mrs. Patricia Kallio. Through her support and caring we have found a true friend; one whose qualities we admire and respect and will emulate in the years to come. Thank you Mrs. Kallio for making the best years of our lives even better.

Cast aside your empty dreams,
For the night has begun.
Let not the tempting twilight
Call you to your death.
Macabre visions torment the mind.
Fear not, for the bells
Toll only for the blind.

Night hangs heavy on the eve of day.
Thoughts that play to a troubled soul.
Grim images sear the brain.
War, strife, famine, pestilence;
Gods of the insane.

Love, like song, fills the night.
Alas, the words play to deaf ears.
Hear the children laugh.
Never dreaming that this
Is their epitaph.

When you're down and troubled,
and you need a helping hand.
Nothing oh nothing is going right.
Close your eyes and think of me,
and soon I'll be there,

Just call out my name,

This year the football team had a tough season. Although their record only showed two wins and nine losses, they played hard all season. Many losses were either one or two point decisions, or last minute mistakes. They did, however, come up with two of the biggest upsets of the season, beating the second and third place teams. The team had fun playing and will miss Mr. Young as their head coach next year.

This year's Captain Kathy Cullen led the infamous Bernie's Brats to their best record yet, 4 wins and 5 losses. For the fourth consecutive year the team set league records for the skinniest coach and the most beautiful runners.

Junior Paula Quatramoni and senior Pam Harrington supplied the one-two punch which helped the team to their first winning season. The girls exhibited their traditional spirit throughout the entire season right up to their last hike up the mighty Hillcrest.

With a lot of potential showing under junior Heather Hilton and Paula Quatramoni and sophomore Judy Cullen, the girls are looking forward to another winning season next fall.

The team, led by Captain Jimmy Morgan, demonstrated outstanding enthusiasm and good sportsmanship. It was a memorable season of which Medfield High School is very proud.
